

Casting Supply List

The instructor will review the supply list with students during the first week. Only items marked “Required items for first class” must be brought to the first class.

Required items for first class:

Safety glasses—should be comfortable and completely cover your eyes
Closed-toe shoes (no sandals or open-toed shoes)
Dust mask, rated for particulates
2 large cuttlebones (can purchase at a pet store)

for cuttlebone casting (\$5.00 not including metal):

-casting grain or scrap metal (sterling silver, copper, brass, or gold)

for lost wax casting (about \$60 not including the metal):

-Ferris junior wax kit
-set of 6 wax files
-set of 6 carving tools
-Max wax pen
-alcohol lamp or candle
-casting grain or scrap metal (sterling silver, copper, brass, or gold)

for finishing cast pieces (about \$50):

-set of 6 needle files
-emery paper (dry/wet sandpaper)
-Foredom grinding stone set*
-AdvantEdge silicone polisher kit (mounted)*

A small tool box for holding tools, supplies, and project materials is also recommended.
